I CAN appreciate the anxiety everyone experienced after the game at Blackpool on Monday. I was left feeling numb and, quite understandably, didn't sleep at all that night. It's an experience I never want to go through again and I'm sure all the supporters feel the same.

All I can say is that there are five games still to be played. A play-off place is still within our grasp and we'll be fighting tooth and nail right to the death.

We've all been disappointed over these past few weeks but we haven't lost sight of our goal and we're still in there with everything to play for.

I'm not making excuses, that's not my style, but the loss of Bobby Savage and Mark Came in successive weeks hasn't helped the cause. It's just added to the woes.

But the spirit is still good within the dressing room. It's the same spirit that held us together last year when we were in far worse trouble than we are in now.

I can promise you we will be going all out to put all the points we can against our name between now and the end of the season—starting this afternoon against Shrewsbury.

BLACKBURN OPEN NEW STAND

Second Division Blackburn Rovers officially opened their new Walker-steel stand before the recent game against Newcastle United. The new structure, which replaces the old Riverside stand, caters for Rovers' members providing 2,500 standing places and 629 seated.

The stand contains a purpose built area for the use of disabled fans and an agreement with the local authority means that 100 seats at each League game are provided free of charge for community use.

ATTENDANCES SMASH 1986 LEVELS

With a month yet to play in the current campaign, spectator levels in the Barclays League have now passed the sixteen and a half million barrier—exceeding the aggregate attendance for the whole of the 1985-86 season. In fact, in the last five years, crowds in the Barclays League, (based on a projected 19.24 million figure for this season), have increased by nearly 17%. This will be the fourth successive rise in attendance levels—unprecedented since the earliest days of the League.

According to Jack Rollin's 'Round-Up' in The Sunday Telegraph, the breakdown for Barclays League attendances during the first thirty four weeks of the season is as shown below:

		<u>Aggregate</u>	<u>Matches</u>	<u>Average</u>	
Div. 1	1988/89	6,615,309	321	20,608

FOREST RUN-IN TO WEMBLEY

Not content with one visit to London, for this year's Littlewoods Cup Final, Nottingham Forest physio Graham Lyas and reserve team coach Archie Gemmill are heading for the bright lights to run in this weekend's London Marathon.

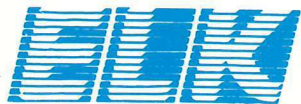

The two contestants, who will be raising money for charity, caught the running bug early last year and are confident that they'll complete the 26 mile 385 yard course—eventually!

SHREWSBURY TOWN

This afternoon we extend a warm welcome to the players, officials and supporters of Shrewsbury Town. Our visitors' ten year spell in the Second Division was ended by relegation last season and this term they look certain to finish in mid table after something of an in and out campaign. Four wins and a draw from their opening six League games raised hopes of a promotion challenge but since then Shrewsbury have struggled to put

together the kind of consistent results to get them in with a shout of the play offs.

Away from home Shrewsbury have recorded five victories at Blackpool (1-0), Walsall (2-0), Birmingham (1-0), Cardiff (1-0) and Swansea (1-0) and have drawn at Reading, Wigan, Huddersfield, Bury, Crewe and Brentford. Shrewsbury were last in action last Tuesday at home to Notts County. Two goals by Dean Spink gave Town a 2-0 lead but goals by Johnson and Bartlett in the last ten minutes earned County a draw in front of a crowd of 3,536 at Gay Meadow.

In early January of this year Shrewsbury parted company with Manager Ian McNeill, in charge at Gay Meadow since December 1987. He has been succeeded by player-coach Asa Hartford, who was appointed on a permanent basis towards the end of January. Shrewsbury's playing staff had undertaken a considerable change in personnel since the end of last season and Hartford has also brought a number of new players to the club since he took over as planning for next season's anticipated promotion challenge takes place. Hartford's main aim will be to procure another goalscorer to partner the impressive John McGinlay up front.

It has not been Shrewsbury's season in cup competitions with first round defeats in the FA Cup, at home to Fourth Division Chesterfield, and in the Leyland DAF Cup at Exeter City. Swindon Town's 6-1 aggregate win in the Littlewoods Cup ended the Shrews' interest at the second round stage after an impressive first round win over Notts County.

Goalkeeper **Steve Perks** has been ever-present this season, reaching the milestone of 200 League appearances in Shrewsbury's home game with Wigan last month. Perks, who was 27 last Thursday, came up through the apprentice ranks at Gay Meadow and has been a fine servant to his hometown club.

Richard Green began his career as a striker but made a successful transition to full back. The Wolverhampton born 22 year old has been ever-present this season passing a century of League games early in the campaign. **Tommy Lynch** is a 25 year old defender or midfielder who joined Shrewsbury from Sunderland, initially on loan, in January. The former Limerick player has been a regular in the number three shirt ever since. **Tony Kelly** is an influential midfield player who made his name at Wigan Athletic. He joined Shrewsbury last season after short spells at Stoke and West Brom. This term the 25 year old former Liverpool apprentice has been a mainstay of the side, and is approaching 250 League games.

Mark Blake is a 22 year old Portsmouth born defender who joined Shrewsbury recently from Southampton on a loan basis. He made his Town debut against Walsall in March, helping his new club to their first win in 6 games. 6 ft 3 in. central defender **Alan Finley** came to the fore with some dominant displays for Northern Premier League side

The Dublin born 26 year old midfielder established himself as a regular first teamer in five seasons at Brunton Park after previous spells at Arsenal and Birmingham City. **Willie Naughton** is a talented left winger who was signed from Walsall in the summer for £35,000. Formerly at Preston North End, the 28 year old is one of the most skilful attacking players in the Third Division on his day. He recently made his 350th League appearance.

Star striker **John McGinlay** joined Shrewsbury from Highland League side Elgin City for £250,000 early last year and scored five goals in 16 games. This season the 26 year old Inverness born forward has missed only one game and has scored 23 goals in League and cup, including a recent hat trick in the home game with Huddersfield. **Dean Spink** is a recent signing from Aston Villa. The former Halesowen Town striker gained League experience this season during loan spells with Scarborough and Bury and actually made his Shakers debut in their home game with Shrewsbury in February. Asa, who will be 40 in October, has played for West Brom, Manchester City (two spells), Notts Forest, Everton, Norwich, Bolton Wanderers, Stockport County and Oldham. He made 81 League appearances for the Wanderers before moving to Edgeley Park as player-manager in 1987. He joined Town as player-coach during the summer and was appointed manager in February after Ian McNeill's departure. He has made 735 League appearances (63 goals) and won 50 caps for Scotland between 1972 and 1982.

MATCH REPORT

'THE EASTER ROUND-UP'

9,070 spectators, the highest in the THIRD DIVISION turned up at Burnden Park for this important Easter Saturday clash with third placed TRANMERE. 'Clash' is the apt word, as both sides produced an ill-tempered affair.

BOLTON were looking to get back to winning ways after a 2-1 mid week defeat at rock bottom Walsall and it was Stuart Storer who sent Phil Neal's men in with a slender 1-0 half time lead. Twelve minutes into the second half and 27 goal ace Ian Muir had levelled for the visitors. Bolton finished the stronger of the two sides but had to be content with just the one home point as Tranmere hung on right to the final whistle.

Leaders BRISTOL CITY allowed PRESTON to come from behind twice at Deepdale where the game finished all square at 2-2. BRISTOL

ROVERS in second spot closed the gap slightly on their neighbours after securing a 2-0 victory over ROTHERHAM at Twerton Park. Fourth placed NOTTS COUNTY seemingly put paid to CREWE's possible play off spot after defeating the 'Railwaymen' 2-0 at Meadow Lane and this victory produced an eight point cushion over Bolton. BURY's recent winning sequence continued at LEYTON ORIENT after coming from behind on two occasions before snatching the priceless winner three minutes from time.

The Shakers have run into form just when it matters after seemingly blown their promotion play-off bid only a few weeks previous. Their victory at Orient hoisted their points tally to 64, on a par with the Wanderers and everything looks set for a nail-biting finish.

• • •

We had little time to regain our breath before kick-off time had come round again for the Easter Monday entertainment.

This time BOLTON faced relegation haunted BLACKPOOL at Bloomfield Road and Phil Neal was taking no chances with motorway hold ups having included overnight stay at the seaside resort as part of the pre-match preparations.

Blackpool hadn't been the luckiest of hunting grounds of late and the Tangerine's plight for Third Division survival was

as important as the Wanderers even if for different reasons. A blank half time scoreline was broken during the second period by Tony Philliskirk as Bolton looked set to gain a much needed victory. But 'Pool weren't finished yet and Brook levelled before Eyres clinched the winner minutes from the end to send Bolton home pointless.

How had the others fared then? BURY had produced the day's biggest score with a 6-0 rout of HUDDERSFIELD and leap frogged Bolton in the table. That man Ian Muir had notched the winner for TRANMERE—his 29th of the season to give Rovers a 2-1 victory over PRESTON at Prenton Park. Ex-Wanderer Warren Joyce had netted North End's consolation.

BRISTOL ROVERS had gone two goals behind at BIRMINGHAM but a Devon White strike and an own goal six minutes from time had salvaged a point. Leaders BRISTOL CITY hardly missed injured 34-goal top scorer Bob Taylor as they hammered FULHAM 5-1 at Ashton Gate after the visitors had taken an early lead.

So Wanderers had mustered just one point from the holiday fixtures with five remaining games. A win against Shrewsbury today will keep Phil Neal's men on course and nothing other than a victory will be satisfactory.

THE CARING FACE OF FOOTBALL

Strenuous efforts are being made to provide modern facilities for the safety and comfort of all football spectators.

During 1989, more than £1.25 million will be spent on improvements projects at Football League grounds and areas for people with disabilities form a major part of this programme. This season will see further initiatives including new and better toilet facilities, additional enclosures for family support and the provision of seating within existing accommodation.

The Football Grounds Improvement Trust is responsible for all these measures. Each year it receives half of the £9.5 million donated by Littlewoods, Vernons and Zettlers from their Spotting-the-Ball competition and spends it on schemes to improve standards at British football stadia.

FRANK WORTHINGTON
Goal of the season on this day in 1979

1900—Promotion to Division One was secured when Gainsborough Trinity were defeated 3-0 at Burnden. Harold Chorlton scored twice with leading scorer Laurie Bell getting the other. Despite their success the attendance was only 4327.

1905—Goals from David Stokes and Albert Shepherd gave Bolton a 2-0 win at Blackpool to keep up their promotion hopes.

1916—Bury won a Good Friday Lancashire supplementary Tournament game 4-2 at Gigg Lane with Frank Roberts and Ted Vizard scoring for the Wanderers.

1917—The Wanderers hit Bury for six at Burnden with Jimmy Fay hitting the net four times. Bob Geddes and Walter Davies got the others.

1923—Bolton completed their League programme with a 3-0 defeat at Chelsea. There had been only one win in their final nine League games but a week later the club would create history at Wembley.

1928—Only 8520 were at Burnden to see Bolton defeat West Ham United 4-0. The goals came from Jim McClelland, Len Murphy, Billy Butler and Harry Nuttall.

1945—Newcastle United were beaten 3-0 at Burnden in a game that doubled up as a Football League Northern Section encounter and a Football League War Cup Quarter final tie first leg. Nat Lofthouse scored twice with Mal Barrass getting the other.

1956—Birmingham gained some revenge for their 6-0 defeat at Burnden earlier in the season when they ran out 5-2 winners at St. Andrews. Dennis Stevens scored both goals for Bolton.

1962—The Wanderers were having their best spell of the season with Blackburn being the latest to suffer. Goals from Doug Holden, Fred Hill and Ron McGarry gave Bolton a 3-2 win at Ewood.

1973—Two goals from Stuart Lee and one from Peter Nicholson saw off York City at Burnden and assured the club of the Third Division championship.

1979—Frank Worthington scored what has become most peoples memorable goal against Ipswich at Burnden. Unfortunately the visitors won 3-2 with Sam Allardyce scoring one other Bolton goal.

**"We need to get
behind the team even
more"**

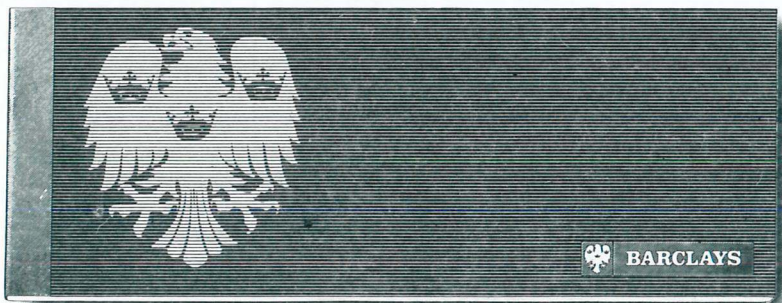

Back in December we fought out a very exciting 3-3 draw with today's visitors Shrewsbury in which former Wanderer and Scotland star Asa Hartford played left back. Of course since then Asa has replaced Ian McNeil as Manager and brought in a number of new faces to Gay Meadow. Results have left Shrewsbury in twelfth position in the Division and it looks as if Asa is building for an assault on promotion next season after his first spell in management ended unsuccessfully at Stockport.

With Bury leap-frogging over us in the Table next Tuesday's local derby at Gigg Lane couldn't be more crucial with the shakers presently on a good run and let's be honest, we must be due a win there sometime. It promises to be quite a game, certainly not one for the faint hearted. Our last few away performances have caused plenty of concern especially so because everyone knows how well we had done on our travels from Burnden Park. I for one had thought we had turned the corner at Blackpool last Monday but two late strikes from the Seasideers had undone the good work and we came home empty handed. Everyone was bitterly disappointed but we need to get behind the team even more so to lift them into the play-offs.

Travelling home from the game on Monday and trying to avoid the nightmare of traffic jams, the car radio was tuned in to the excellent GMR Sportsround programme in what has to be said is the best overall coverage of sport in the North West. Jimmy Wagg and Eamon O'Neil provide the laughs in the studio and the comments from the fans in the final hour of the programme when they get the opportunity to ring the Studio and air their views make the programme complete. Compelling listening, even the 'regulars' from the Bury Social Club who come and have a lightened go at the Wanderers, have become stars in their own right.

After Tuesday's night game at Bury next weekend we entertain League leaders and promotion certainties Bristol City, welcoming back former favourite Mark Gavin who has played a leading role in the Robins fine run this season. The two Bristol sides now look set to play Second Division next season but the third promotion spot is very much up for grabs and the next few games will determine who meets who in the play offs. Let's keep up the fine support we have provided the lads this season and I am sure we will be rewarded in the forthcoming games.

It has been a mystery as to why the Wanderers have produced their better football away from Burnden Park this season.

After a super performance at Wolves two evenings earlier they couldn't produce the same against fellow strugglers Athletic. Nigel Atkins in the Wigan goal was only tested with long range efforts and the game was decided with a 68th minute Darren Patterson shot and an 83rd minute Steven Nugent tap in.

Bolton Wanderers . . . 5

Once again the reserves proved that they travel well with a resounding display against a strong Grimsby side at Blundell Park.

Mike Jeffrey rattled home a Nicky Spooner cross in the 21st minute and from then on the Wanderers were on their way. Both Phil Neal and Alan Stubbs struck the woodwork before Neal scored the Wanderers second with a solo effort four minutes from the interval.

In the first half injury time Neal became goalmaker when his free kick was powerfully headed home by a rejuvenated Mike Jeffrey.

Steve Birks scored his first Central League goal for the club in the 51st minute when he headed home a Scott Green cross and in the 76th minute Birks was as cool as you like to shoot home Bolton's fifth.

Keith Alexander shot Grimsby's consolation two minutes later but they couldn't prevent the Wanderers from recording their best win of the season.

WHERE ARE THEY NOW

WAYNE FOSTER *Hearts*

A recent visitor to the Bolton v Preston game was a former player to both clubs, Wayne Foster. Wayne is currently playing for top Scottish Premier League side Hearts along with another former Wanderer in Neil Berry.

Born locally in Tyldesley, Wayne joined the Club as a schoolboy after being spotted by scout Wilf Rigby and during his apprenticeship was selected to represent the England youth side. After making rapid progress with the Wanderers he forced himself into the first team at just 18 making his first debut at Selhurst Park in a 1-0 defeat in season 1981-82. Quickly establishing himself in the side that season, he scored his first League goal for the Club in a televised 2-2 home draw with Chelsea. Wayne went on to play over a hundred games for the Wanderers before being released by the manager of that time Charlie Wright; something that came as a shock to Wayne himself as well as a number of Wanderers fans who had likened to the youngster's tricky and speedy attacking play, especially as Wayne had played a leading role in the final games of season 1984-85 helping the Club avoid relegation.

Wayne's talents though were soon secured by neighbours Preston North End who had dropped down to the Fourth Division and were being managed by Wayne's former team-mate at Burnden, Brian Kidd. After a full season at Deepdale the Lancashire club wanted him to re-sign for another season, but on a pay cut, so Wayne decided to take up an offer of a trial period at Scottish side Hearts who had obviously been tipped off about Wayne's talents by Neil Berry, his former team-mate at Bolton. He was soon snapped up initially on a 12 month contract but he has been there ever since making the headlines a couple of seasons ago on I.T.V.'s Midweek Sports Special in a European Cup tie for the Edinburgh club.

He has currently been offered a new two year extension to his contract and enjoys his life North of the Border, even though he admits to a bit of micky taking by his Scottish team-mates. But judging by his interview, a few noticeable Scottish quips have started to emerge from the likeable Tyldesley lad. Certainly 'taking the high road' has been a superb move for Wayne and he admits to really enjoying living in Edinburgh in what he calls "a beautiful place".

RECOLLECTIONS

**"It was in
November 1971
that the clubs
first met"**

*Photo: Chris Thompson shoots
home against Shrewsbury at
Burnden in April 1982.*

The Wanderers will today be looking to record their first home League victory against Shrewsbury since March 1973. Goals from Stuart Lee and Jimmy Redfern gave Bolton a 2-0 result which extended their unbeaten run to six games, five being won.

The following month the Wanderers completed their only double over Shrewsbury, with an identical result at Gay Meadow, thanks to goals from John Byrom and Gary Jones which assured promotion from Division Three.

It was in November 1971 that the clubs first met, Bolton going down to their fourth consecutive defeat thanks to a first half goal by Alf Wood. It was an eventful evening for Bolton full back John Ritson who missed a penalty and was later sent off.

Town's first visit to Burnden came in April 1972, Bolton who were then on a run of just one defeat in eleven games, ran out 2-0 winners with goals from Roy Greaves (penalty) and Ron Phillips.

In October 1980 it was Second Division football that put the clubs in opposition, the Wanderers winning 2-1 at Gay Meadow to end a run of 28 away games without victory, Mike Carter and Brian Kidd getting the goals.

Town gained revenge the following March when a goal from John Dungworth and an own goal from Mike Walsh gave them their first success at Burnden.

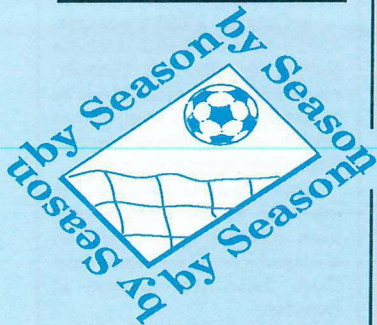

During 1981/82 the Wanderers managed to take just one point from the two games, that being a 1-1 draw at Burnden, Chris Thompson putting Bolton in front with a last minute penalty from Ian Atkins denying them victory.

Shrewsbury's last League visit to Burnden was in November 1982. Bolton had won just two of their opening twelve League games and collapsed to a 4-1 defeat. Two goals by Paul Petts and one each for Wayne Williams and Steve Cross put Shrewsbury in command whilst the Wanderers consolation was a Tony Henry penalty.

Earlier this season an exciting 3-3 draw resulted at Gay Meadow, the Wanderers having been two goals to the good at the interval. Steve Thompson hit the net twice with Tony Philliskirk scoring the Wanderers third, Paul Gorman, John McGinley and David Moyes on the mark for the Shrews.

Our overall League record against Shrewsbury is as follows:-

	P	I	W	D	L	F	A
Home	5	2	1	2	6	7	
Away	6	2	1	3	7	8	
Total	11	4	2	5	13	15	

The Wanderers continued to operate with a skeleton squad of players who were working in either local munitions or the local forces.

Joe Smith was the sides inspiration during this season, being the Country's leading scorer by December, until his call up for duty in his rank of bomber which was very apt.

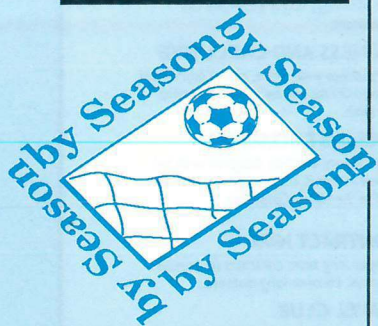

On 23rd September Stoke were beaten 9-2 at Burnden after they had previously been unbeaten. Smith scored six goals, one from the penalty spot, the referee checking if his shot had broken the net! The crowd numbered

2116 plus a few hundred wounded soldiers who were admitted free.

A month later Smith scored four in a 6-0 win at Rochdale and on 9th December he netted his 20th goal of the season in a 5-1 home win over Manchester United.

Unfortunately 1917 didn't live up to expectations. Stoke gained revenge for their thrashing earlier in the season by handing Bolton a 7-0 defeat with four of their second half goals coming in as many minutes.

The first win of the year came on 10th March when

Preston were defeated 2-1 at Deepdale. Ex-Wanderer Jimmy Fay guested for his old club as he was unable to get to Bury to play for his club Southport Central.

On the 6th April, Good Friday, the Wanderers played two games. In the morning they lost 2-0 at Stockport in the Lancashire section Primary section Primary competition and in the afternoon

won 2-1 at Oldham in the subsidiary competition. Nine players took part in both games.

41 players were used in a total of 36 games as the season was rounded off in style with two home wins. Bury were beaten 6-0, Jimmy Fay grabbing four goals, champions Liverpool were also beaten 1-0.

(Carter, Kidd)**

Last Easter Monday we travelled down to Blackpool to revenge our defeat in the FA Cup.

After reviewing their programme earlier in the season it was interesting to see if there had been any major improvements. The cover was the same as our FA Cup game although the review on the Wanderers was much improved. I quite enjoyed reading the 'North West Scene' in which there was some useful information. The programme held a few more advertisements than any other club in the Third Division and this restricted the editorial content.

Overall the programme was basically the same as earlier in the season and not really value for 80p.
